

# Ophthalmology Services Price List

## Pediatric Outpatient Ophthalmology Clinic

### Diagnostic tests - Paediatric ophthalmology

Ophthalmic consultation (without pupil dilation, children up to 16 y/o)	260 zł
Ophthalmic consultation (with pupil dilation, children up to 16 y/o)	280 zł
Ophthalmic consultation for strabismus patients (children, 1st consultation )	320 zł
Ophthalmic consultation for strabismus patients (children, 2nd consultation)	290 zł
Ophthalmic consultation for strabismus patients (children, 3rd consultation)	290 zł
Ophthalmic follow-up consultation for strabismus patients (children, every 6 months)	290 zł
Ophthalmic consultation following electrophysiology tests	300 zł
Electroretinography (ERG) (children from 6 y/o)	500 zł
Electrooculography (EOG) (children from 6 y/o)	520 zł
Pattern ERG (PERG) (children from 6 y/o)	500 zł
Visual Evoked Potentials (VEP PATTERN, VEP FLASH) (children from 6 y/o)	400 zł
Electrophysiology Packages (children from 6 y/o):	
1) Electrophysiology Package (VEP+ERG)	750 zł
2) Electrophysiology Package (VEP+ERG+EOG)	1 200 zł
Tear duct irrigation (children from 1 y/o)	260 zł

### Orthoptics (children from 4 to 16 y/o, services provided only at Cieszkowskiego branch)

Orthoptic consultation (diagnosis, orthoptic examination)	150 zł
Synoptophore test	80 zł
Orthoptic follow-up consultation	90 zł
Orthoptic - pleoptic exercises ( vision therapy, 1 session - 30 minutes)	100 zł
Orthoptic - pleoptic exercises package (vision therapy, 5 sessions x 30 minutes )	470 zł
Orthoptic - pleoptic exercises package (vision therapy, 10 sessions x 30 minutes )	900 zł
Combined package - orthoptic & optometric consultation	350 zł
Combined package - orthoptic, ophthalmic & optometric consultation	380 zł

### Optometry (children from 6 to 16 y/o)

Optometric consultation with contact lens fitting (trial contact lenses, after ophthalmic consultation)	300 zł
Optometric consultation with spectacles fitting	170 zł
Optometric follow-up consultation after up to 30 days	free of charge
Optometric follow-up consultation after 30 days	180 zł
Full optometric examination with biometry (performed at the main location)	270 zł
Full optometric examination without biometry (performed at Cieszkowskiego branch)	250 zł
Full optometric examination + corneal topography + trial contact lenses fitting	350 zł
Combined package - orthoptic & optometric consultation (orthoptic consultation + spectacles fitting by an optometrist)	350 zł

<b>Treatment of myopia (low-dose atropine in children and adolescents)</b>	
1) Fist consultation	
- Optometric evaluation (measurement and assessment of binocular and spatial vision, measurement of refraction before and after cycloplegia, examination of eye alignment, measurement of the axial length of the eyeball, corneal topography, OCT of the optic disc, OCT of the macula)	180 zł
- Ophthalmic consultation (ophthalmic examination with evaluation the anterior and posterior segment of the eye, after dilation: visual acuity test, refractive errors, measurement of refraction)	280 zł
2) Follow-up consultation after 1 month	180 zł
- Optometric evaluation (medical history, vision model, measurement of binocular and spatial vision, examination of eye alignment)	
3) Follow-up consultation after 6 months	280 zł
- Ophthalmic consultation (the same scope as during the first consultation)	

### Preventive eye care

Comprehensive ophthalmological consultation - screening test (children from 7 y/o)	820 zł
The service comprises:	
<ul style="list-style-type: none"><li>• Optometric consultation (refraction test, IOP measurement, visual acuity test)</li><li>• Ophthalmic consultation (slit lamp examination, pupil dilation, biometry, stereoscopic vision test - Stereo Fly Test, colour vision test - Ishihara test, evaluation of the results)</li></ul>	

**RETINA**  
EYE HOSPITAL & CLINIC

RETINA/CENNIK/20230119/1238  
At Retina you can take advantage of MediRaty instalment program to finance your treatment.
