

Ophthalmology Services Price List

Diagnostic tests

Ophthalmic consultation (without pupil dilation, adult patient)	260 zł
Ophthalmic consultation (with pupil dilation, adult patient)	280 zł
Emergency doctor's appointment	400 zł
Online doctor's appointment	150 zł
Ophthalmic consultation - house call (by prior arrangement)	450 zł
Ophthalmic consultation (referral after optometric consultation, adult and paediatric patients)	80 zł
Visual field test	100 zł
Fundus photography	130 zł
Ocular Ultrasound (both eyes)	210 zł
Ultrasound Biomicroscopy (UBM) (both eyes)	270 zł
Fluorescein Angiography (FA)	400 zł
Optical Coherence Tomography (OCT) (both eyes)	260 zł
Optical Coherence Tomography (OCT) (one eye)	210 zł
Ophthalmic consultation + OTC (both eyes)	420 zł
Angio-OCT (both eyes)	320 zł
Angio-OCT (one eye)	270 zł
Ophthalmic consultation + Angio-OCT (both eyes)	450 zł
Optical Coherence Tomography with GDX (both eyes)	210 zł
Optical Coherence Tomography with GDX (one eye)	180 zł
Ophthalmic consultation + Optical Coherence Tomography with GDX (both eyes)	420 zł
Pachymetry	80 zł
Gonioscopy	80 zł
Ophthalmic consultation + Gonioscopy	300 zł
Corneal topography (both eyes)	160 zł
Corneal topography (one eye)	130 zł
Hess Screen Test	150 zł
Endothelial cell count	120 zł
Ocular Biometry	120 zł
Assessment of the iridocorneal angle	140 zł
IOP curve	180 zł
IOP measurement	30 zł
Test for demodicosis (mite density test)	160 zł
Conjunctival swab (anaerobes, both eyes)	280 zł
Conjunctival swab (aerobes, both eyes)	120 zł
Conjunctival swab (fungi, both eyes)	160 zł
Histopathology (tissue sample)	150 zł
Application of therapeutic lens	80 zł
Aberrometry (adult patient, one eye)	200 zł
Aberrometry (adult patient, both eyes)	230 zł
Extended glaucoma diagnostics	430 zł
Electrophysiology tests:	
1) Electroretinography (ERG, adult)	450 zł
2) Electrooculography (EOG, adult)	480 zł
3) Pattern Electroretinography (PERG, adult)	450 zł
4) Visual Evoked Potentials (VEP Flash, VEP Pattern, adult)	350 zł
5) Electrophysiology Package (VEP+ERG, adult)	750 zł
6) Electrophysiology Package (VEP+ERG+EOG, adult)	1 150 zł
Ophthalmic consultation with occupational medical examination	300 zł
Schirmer test	60 zł

Administrative fees

e-prescription (issued without medical consultation)	45 zł
Medical certificate (Social Insurance Institution (ZUS), disabilities)	120 zł
Release of medical records (copy, per A4 size page)	0,45 zł

Ophthalmological surgeries and pre-operative assessment

Pre-operative assessment for cataract surgery (irrespective of the lens type)	430 zł
Cataract surgery (one eye, with IOL implant, depending on the type of lens used)	4 200 - 12 000 zł
Complicated cataract surgery	4 700 - 7 000 zł
Pre-operative assessment for vitrectomy	430 zł
Vitrectomy (one eye)	7 000 - 13 000 zł
Pre-operative assessment for blepharoplasty (both eyes)	400 zł
Upper eyelid blepharoplasty (both eyes)	4 700 zł
Lower eyelid blepharoplasty of (both eyes)	5 500 zł
Lower eyelid retraction surgery - Ektropion (one eye)	3 500 zł
Upper eyelid retraction surgery - Entropion (one eye)	3 500 zł
Ptosis surgery (one eye)	4 100 zł
Repeated blepharoplasty (one eye)	6 200 zł
Pre-operative assessment for glaucoma surgery	430 zł
Trabeculectomy / Sclerectomy (one eye)	4 600 zł
Surgical Iridotomy (one eye)	2 200 zł
Endoscopic cyclophotocoagulation (ECP) (one eye)	4 500 zł
Surgical Capsulotomy (one eye)	1 500 zł
Phaco-vitrectomy (vitrectomy with cataract removal, one eye)	8 300 - 13 000 zł
Phacoemulsification with ECP (one eye)	from 5 700 zł
Phacoemulsification with iridotomy (one eye)	from 4 500 zł
Implantation of macular buckle (one eye)	8 000 zł
Scleral buckling with an explant (one eye)	6 700 zł
Scleral buckling with Cerclage (one eye)	6 800 zł
Scleroplasty (one eye)	6 800 zł
Pneumatic retinopexy - injection of a gas bubble into the eyeball (one eye)	2 500 zł
Removal/replacement of silicone oil (one eye)	from 4 500 zł
Pre-operative assessment for strabismus surgery (adult patient)	400 zł
Strabismus surgery (adult and paediatric patients, under general anaesthesia)	8000 zł
Repeated strabismus surgery (adult and paediatric patients, under general anaesthesia)	8500 zł
Intramuscular administration of botulinum toxin (in the case of nystagmus, under general anaesthesia, adult/child)	from 1800 zł
Pre-operative assessment for secondary orbital implant surgery, tumour removal, enucleation, etc.	430 zł
Enucleation and evisceration (with an orbital implant, one eye)	12 000 zł
Secondary orbital implant surgery (one eye)	12 000 zł
Removal of orbital tumors (with biopsy)	3 500 - 5 500 zł
Removal of superficial orbital tumours (deep)	5 500 - 7 000 zł
Orbital socket reconstruction (with fat graft)	9 000 zł
Eyelid lesion removal with reconstruction (flap rotation, free skin grafts, etc., one eye)	2 800 zł
Plastic surgery of conjunctival fornices	2 300 zł
Excision of prolapsed/herniated orbital fat (one eye)	4 000 zł
Amniotic membrane graft (one eye)	2 500 zł
Pre-operative consultation before a surgery (irrigation of the nasolacrimal ducts)	420 zł
Surgery - irrigation of the nasolacrimal ducts (under general anaesthesia)	2 000 - 2 500 zł
Removal of residual vision defect after ophthalmological surgery	price according to the laser vision correction price list

Preventive eye care

Comprehensive ophthalmological consultation - screening test (adult person)	800 zł
The service comprises:	
• Optometric consultation (refraction test, IOP measurement, visual acuity test)	
• Ophthalmic consultation (slit lamp examination, visual field test, pupil dilation,	
• OTC of the macula, OTC of the optic nerve with evaluation of the results)	

Ophthalmology Services Price List

Ophthalmological procedures

Intravitreal injection (medicine off-label)	800 zł
Intravitreal injection (Eylea)	2 100 zł
Intravitreal injection (medicine off-label , 3 injections)	1 800 zł
Intravitreal injection (Eylea, 3 injections)	5 300 zł
Intravitreal injection (Beovu, at individual request)	2 600 zł
Intravitreal injection (Vabysmo, at individual request)	3 000 zł
Steroid injection for chalazion (Dexaven, short-acting steroid)	220 zł
Steroid injection for chalazion (Depo-Medrol, long-acting steroid),	250 zł
Removal of a chalazion, lump, nevus	800 zł
Removal of a cyst	700 zł
Removal of a foreign body from the cornea	350 zł
Eyelash electrolysis	350 - 650 zł
Removal of xanthelasma lumps/yellow tufts (one eye)	1 100 zł
Excision of skin horn, wart, cyst, cystadenoma	from 650 zł
Botulinum toxin injections (medical indication)	900 zł
Cryoretinopexy	1 000 zł
Retinal laser therapy (diabetic retinopathy, degenerative diseases, one eye)	450 zł
Retinal laser therapy (with anaesthesia, one eye)	500 zł
Cryotherapy of the ciliary body (glaucoma, one eye)	900 zł
YAG – Capsulotomy (one eye)	450 zł
YAG – Capsulotomy (both eyes)	800 zł
YAG – Iridotomy (one eye)	450 zł
YAG – Iridotomy (both eyes)	800 zł
Selective Laser Trabeculoplasty (SLT, one eye)	500 zł
Selective Laser Trabeculoplasty (SLT, both eyes)	950 zł
Removal of pterygium (one eye)	2 500 zł
Tear duct irrigation (adult patient, one eye)	180 zł
Tear duct irrigation (adult patient, both eyes)	220 zł
Insertion of punctal plugs (dissolvable after 3 years, adult patient)	900 zł
Retrobulbar/subconjunctival injection	100 zł
Platelet-rich plasma (PRP) injection	450 zł
Removal of eyelid or conjunctival lesion	from 700 zł
Removal of eyelid or conjunctival lesion with suture	from 900 zł
Suturing of eyelid skin (one eye)	600 zł
Suturing of conjunctiva (one eye)	500 zł
Suturing of conjunctiva (superficial wound without revision of the sclera, one eye)	600 zł
Dry Eye Disease - Raxon-Eye therapy (1 session - 30 minutes)	250 zł
Dry Eye Disease - Raxon-Eye therapy (4 sessions x 30 minutes)	900 zł

Orthoptics (patients aged 16 and over, services provided only at Cieszkowskiego branch)

Orthoptic consultation (diagnosis, orthoptic examination)	160 zł
Synoptophore test	80 zł
Orthoptic follow-up consultation	90 zł
Orthoptic - pleoptic exercises (vision therapy, 1 session - 30 minutes)	120 zł
Orthoptic - pleoptic exercises package (vision therapy, 5 sessions x 30 minutes)	450 zł
Orthoptic - pleoptic exercises package (vision therapy, 10 sessions x 30 minutes)	900 zł
Combined package - orthoptic & optometric consultation (both eyes)	320 zł
Combined package - orthoptic, ophthalmic & optometric consultation (both eyes)	350 zł

Laser refractive surgery

Consultation – laser eye treatment (regardless of the method)	430 zł
Follow-up appointment (up to 30 days from the day of the surgery)	free of charge
Follow-up appointment (over 30 days from the day of the surgery)	200 zł
Laser eye treatment – superficial methods	
1) Smart Lasek (one eye)	4 200 zł
Smart Lasek (both eyes)	4 950 zł
2) Smart TransPRK (one eye)	6 000 zł
Smart TransPRK (both eyes)	6 300 zł
3) Smart EBK (one eye)	6 200 zł
Smart EBK (both eyes)	6 700 zł
4) Smart PTK (one eye)	6 000 zł
Smart PTK (both eyes)	6 300 zł
Laser eye treatment – deep methods	
FemtoLasik method (one eye)	5 590 zł
FemtoLasik method (both eyes)	9 990 zł
Laser eye treatment – presbyopia	
PresbyMax method (one eye)	9 990 zł
PresbyMax method (both eyes)	12 990 zł
Re-correction (monocularly or binocularly, Retina patient, up to 2 years from the date of surgery)	free of charge
Re-correction (monocularly or binocularly, Retina patient, over 2 years from the date of surgery)	acc. prices as above +10% discount
Re-correction (monocularly or binocularly, patient after surgery in another facility)	acc. prices as above

Refractive lens exchange

Pre-operative assessment for refractive lens exchange	430 zł
Refractive lens exchange – types of lenses:	
1) Multifocal lenses (one eye)	7 000 - 12 000 zł
2) Monofocal lenses (one eye)	3 800 - 12 000 zł

Optometry (patients aged 16 and over)

Optometric consultation with contact lens fitting (trial contact lenses)	300 zł
Optometric consultation with spectacles fitting	180 zł
Optometric consultation with occupational medical examination	220 zł
Optometric follow-up consultation after up to 30 days	free of charge
Optometric follow-up consultation after 30 days	180 zł
Corrective check-up optometric appointment	120 zł
Full optometric examination with biometry (performed at the main location)	270 zł
Full optometric examination without biometry (performed at Cieszkowskiego branch)	250 zł
Full optometric examination + corneal topography + contact lens fitting	350 zł
Specialized lenses for Corneal Refractive Therapy (spherical lenses, one eye)	1 200 zł
Specialized lenses for Corneal Refractive Therapy (spherical lenses, both eyes)	2 400 zł
Specialized lenses for Corneal Refractive Therapy (toric lenses, one eye)	1 350 zł
Specialized lenses for Corneal Refractive Therapy (toric lenses, both eyes)	2 700 zł
Anterior segment therapy (specialized lenses, coloured, one eye)	1 300 zł
Anterior segment therapy (specialized lenses, coloured, both eyes)	2 600 zł

Orthokeratology

Eligibility for orthokeratology lenses (1st appointment, no lenses)	350 zł
Appointment with the fitting of orthokeratology lenses (2nd appointment, one lens)	1 100 zł
Appointment with the fitting of orthokeratology lenses (2nd appointment, two lenses)	2 200 zł
Follow-up appointments (3rd and 4th visit, up to 30 days from the insertion of the lenses)	free of charge
Follow-up appointment (after 30 days from the insertion of the lenses)	180 zł
